## Insects of the Night July 29, 7-9:30 p.m.

Wear your favorite insect costume. Exhibits, night hikes, puppet shows and crafts will celebrate our favorite invertebrates. Belmont University entomologist Dr. Steve Murphree will be on hand to answer all of your insect inquiries.

## Summer is HOT!

Summer sizzles with FREE programs for school-aged children, families, and adults! Watch the Sun through a solar-filtered telescope, build your outdoor skills and learn the songs of common birds on Wednesdays. Check out our new Summer StoryWalk with little ones or join our Nature Readers Book Club, which meets on Saturday afternoons in June, July and August. Support your Parks by joining local musicians at monthly Full Moon Pickin' Parties. There's something for everyone at the Nature Center this summer!

## Hummingbird Celebration August 27, 9:30 a.m.-3 p.m.

Wish our smallest birds farewell as they migrate to Mexico. Observe bird researchers as they trap and band birds. Watch the hummingbird puppet show, create your own bird to take home, or just enjoy the hummers from the back porch during this day-long celebration!

•Call (615) 352-6299 to register for programs•
